PROFESSIONAL EXPERIENCE

Freelance

July 2024

Developed a mstours.in Website

Developed travel website, focusing on creating a visually appealing and **user-friendly** interface. Designed and implemented features to showcase travel options and **destinations**, ensuring a seamless and engaging **experience** for users. Collaborated with the **client** to understand their vision and translated it into a functional and attractive website.

Practice Project

Ochi Design Website

Interactive website for **Ochi Design** using **React**. I focused on delivering a great user experience by incorporating smooth **animations** and **transitions**. This involved building a responsive layout and integrating various React **components**.

Technologies Used : React.js, Tailwind CSS, Gsap.

Pokemon Website

A fun Pokemon website using **React**. I added a **search** feature so users could quickly find **details** about their favorite Pokémon. The project focused on making the site easy to use and ensuring that the **search function** worked smoothly.

Technologies Used : React.js Tailwind.
